

Blackboys Allotment Society

We are putting together a new Allotment Society for the Blackboys site and are looking for members who would like to join us!

The Society will be a friendly and welcoming society for the community at Blackboys Allotment and will offer the following benefits:

Membership of the National Allotment Society

Discounted seeds, plants and other items

Bulk buying of manure/compost for communal use

Helpful advice and resources

Social get-togethers (when Government guidelines allow)

Produce & seed swaps

Being part of a like-minded community

Celebrating our successes together and commiserating over our failures!

Regular newsletters

Promote a good relationship with the Parish Council & the Horticultural Society

We all have different levels of expertise and knowledge so lets get together and help each other to get the most out of our allotments! 😊

If you would like to join us as a member please email Denise Taylor at

denisetaylor.77@gmail.com

Membership costs £10 per annum - per member

(This includes The National Allotment Society annual membership)

To make this work, we also need committee members so if you could consider giving some time and have some experience in attending meetings, helping with newsletters for example please mention this in your email
