Present: Felicity Groves (Chairman), Maria Naylor, Rob Newton and Fred Thurston [part].

In attendance: Ann Newton (Clerk) Public: None.

Myran Eade and John Mordaunt (Vice Chairman). Councillor Chris Dowling (ESCC).

2. Declarations of Interest

There were none.

3. Minutes of the last Meeting: 2 February 2011

It was agreed that the minutes of the last meeting held on 2 February 2011 having been circulated, be approved, adopted and signed as a correct record.

4. Matters Arising

- **Guideposts** – Phil Anderson has completed one repair and has others in hand.
- **Community Action Plan** – Felicity Groves reported that she still had to meet with the Clerk to finalise the Plan.
- **Bus Shelter opposite the Blackboys Inn** – the Clerk reported that this has been removed and ESCC Highways consulted on whether the site meets their health and safety standards. No comments have to date been received so it is assumed that they are happy.
- **Streetlighting** – the Clerk reported that ESCC have carried out the work to replace all the lights (excluding four) in Blackboys with the fluorescent bulbs (two sodium lights in prime positions are to remain and two have already been switched). Fred Thurston offered to provide the Clerk with the details for the swap-over of the lights in Framfield. The work will then be complete.

5. Any Other Business

- **Blackboys traffic calming.** The Clerk reported that the Council is still waiting to hear if the programme of works has been rescheduled or not. She mooted an idea to alleviate some of the concerns regarding the addition of a streetlamp around the proposed build-outs – if the build-outs were switched to islands, lamps would not be required. Islands have recently been installed on the Eastbourne Road in Halland without the addition of streetlights. The meeting thought this might be a good compromise.

6. Date of next meeting: Wednesday, 8 June 2011.
